

Rihanna

What now?

I been this big lump in my throat

I shouldn't be crying, tears were for the weak

The days I'm, know what, so I say

That's something missing

Whatever it is, it like it's laughing at me through
the glass of a two-sided

Whatever it is, it's just sitting there laughing at me

And I just wanna

What now? I just can't figure it out

What now? I guess I'll just wait it out

What now? Oh what now?

I the one he changed my life

But was it me that changed

And he just to come at the right time

I'm to be in love

But I'm not mugging

..... it is, it feels like it's laughing at me through the

glass of a two-sided mirror

Whatever it is,it's just sitting there laughing at me

And I just wanna scream

What now? I just can't it out

What now? I guess I'll just wait it out

What now? (please me)

What now?

There's no one to call cause I'm just games with
them all

The most where I'm happy,the more that I'm
feeling

Cause I every hour just going through the motions

I can't even get the to come out

Dry as a,but I just wanna shout

What now? I just can't figure it ou

What now? I guess I'll just wait it out

What now? (..... tell me)

What now?

I don't know to go

I don't know what to feel

I don't know how to

I don't know-ow-ow why

I don't know to go

I don't know what to feel

I don't know how to

I don't know-ow-ow why

I don't know to go

I don't know what to feel

I don't know how to

I don't know-ow-ow why
