

Outside Calvin Harris ft. Ellie Goulding

Look at what you've done

Stand still, fallin' away from me

When it takes so long

Fire's out, what do you want to be ?

I'm holdin' on

Myself was never enough for me

Gotta be so strong

There's a power in what you do

Now, every other day I'll be watching you

Show you what it feels like

Now I'm on the outside

We did everything right, now I'm on the outside

Tought you give me no reason

For me to stay close to you

Tell me what lovers do

How are we still breathing ?

It's never for us to choose

I'll be the strength in you

I'm holdin' on

Myself was never enough for me

Gotta be strong

There's a power in what you do

Now, every other day I'll be watching you

Show you what it feels like

Now I'm on the outside

We did everything right, now I'm on the outside

Show you what it feels like

Now I'm on the outside

We did everything right, now I'm on the outside

I'll show you what it feels like

Now I'm on the outside

I'll show you what it feels like

Now I'm on the outside

We did everything right, now I'm on the outside
