

IMPOSSIBLE , James Arthur

I years ago
Someone told me I should take
Caution when it comes to
I did

And you were strong and I was not
My illusion, my
I was careless, I forgot
I did

And now when all is done
There is to say
You have gone and so effortlessly
You have won
You can go ahead tell them

Tell them all I now
Shout it from the roof tops
Write it on the
All we had is gone now

Tell them I was
And my heart is broken
All my scars are
Tell them what I hoped would be
Impossible, impossible
Impossible, impossible

Falling out of is hard
Falling for betrayal is worst
Broken trust and broken hearts
I know, I know

Thinking all you need is there
Building faith on is worst

Empty promises will wear
I know, I know

And know when all is

There is nothing to say

And if you're done with me

On your own you can go ahead tell them

Tell them all I know now

Shout it from the roof tops

Write it on the sky line

All we had is gone now

Tell them I was happy

And my heart is

All my scars are open

Tell them what I hoped would be

Impossible, impossible

Impossible, impossible

I remember years ago

Someone told me I should take

Caution when it comes to love

I did

Tell them all I know now

Shout it from the tops

Write it on the sky line

All we had is gone now

Tell them I was happy

And my hearth is broken

Aaaawwwaawwwaaww

What I would be

Impossible, impossible

Impossible, impossible

Impossible, impossible
